Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Aurora Area Interfaith Food Pantry, Inc. as of July 31, 2018, and its support revenues and expenses for the year then ended in accordance with the modified cash basis of accounting as described in Note 2.

Our opinion is not modified with respect to this matter.

### **Other Matter**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses - modified cash basis on page 12 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. ## 1. ORGANIZATION AND PURPOSE

The Aurora Area Interfaith Food Pantry, Inc. (Food Pantry) is a not-for-profit organization that was organized by local individuals, community churches and church groups in 1981. Its objective is to provide food assistance to members of the community who are food insecure and have difficulty meeting their basic nutritional needs on their own. The Food Pantry is supported primarily through donor contributions, as well as grants from private foundations, local and state governmental units, and the Federal Government's Emergency Food and Shelter Program.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Accounting

The records of the Food Pantry are maintained on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The modified cash basis of accounting differs from accounting principles generally accepted in the United States of America primarily because the Food Pantry has not recognized receivables, prepayments and payables. The financial statements are presented on the basis of unrestricted, temporarily restricted, and permanently restricted net assets.

### Contributed Services and Materials

Contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributions of tangible assets are recognized at fair value when received.

### Investments

Investments are carried at fair value and realized and unrealized gains and losses are reflected in the statement of activities.

### Property and Equipment

Property and equipment acquired by purchase are stated at cost while those acquired by gift are stated at the fair market value at time of receipt. Only major replacements and improvements are capitalized and included in the property and equipment account. Depreciation has been provided using the straight-line method over the estimated useful lives of the related assets.

### Advertising Costs

The Food Pantry expenses advertising costs as incurred. Expenses incurred were \$45,663 for the year ended July 31, 2018.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Net Assets

The Food Pantry classifies net assets as unrestricted, temporarily restricted, or permanently restricted.

Unrestricted net assets of the Food Pantry are neither permanently restricted nor temporarily restricted by donor-imposed stipulations.

Temporarily restricted net assets of the Food Pantry result (a) from contributions and other inflows of assets whose use by the Food Pantry is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Food Pantry pursuant to those stipulations, (b) from other asset enhancements and diminishments subject to the same kinds of stipulations, and (c) from reclassifications to (or from) other classes of net assets as a consequence of donor-imposed stipulations, their expirations by passage of time, or their fulfillment and removal by actions of the Food Pantry pursuant to those stipulations. Donor restricted contributions whose restrictions are met in the same reporting periods are reported as unrestricted support.

Permanently restricted net assets of the Food Pantry result (a) from contributions and other inflows of assets whose use by the Food Pantry is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Food Pantry, (b) from other asset enhancements and diminishments subject to the same kinds of stipulations, and (c) from reclassifications from (or to) other classes of net assets as a consequence of donor-imposed stipulations.

The Food Pantry reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

### 3. IN-KIND CONTRIBUTIONS

The Food Pantry recorded various donated equipment and in-kind services that would have otherwise been purchased if not donated. The amounts reflected in the accompanying financial statements as in-kind contributions are offset by like amounts included in expenses or additions to property and equipment. The Food Pantry received the following in-kind contributions during the year ended July 31, 2018:

Legal services	\$	4,341
Building maintenance		1,286
Equipment		175
Printing and advertising		112
	\$	<u>5,914</u>

In addition, a substantial amount of food is donated to the Food Pantry. The Pantry has an adequate system of tracking and valuation of food donated and includes the value of the contributed food in the financial statements. Management has estimated the retail value of such donations at a value of \$1.68 per donated pound. The Organization also received donations from the Federal government as part of The Emergency Food Program and Temporary Assistance to Needy Families. These donations have been valued at \$1.93 per pound and \$1.22 per pound, respectively.

The total value of food donations is recorded as both revenue and expense in the statement of revenues, expenses, and changes in net assets - modified cash basis. The Food Pantry recorded \$5,119,829 of donated food in the year ended July 31, 2018.

### 4. COMMUNITY FOUNDATION ENDOWMENT FUND

In 1998 the Food Pantry established an endowment fund with the Community Foundation of the Fox River Valley to be used for support of the mission or activities of the Pantry. The fund is considered property of the Foundation and the Foundation has ultimate authority and control over all property in the fund and the income derived therefrom. At least annually, the Foundation may distribute the fund's net income to the Pantry, or the Pantry may elect to accumulate the income. At July 31, 2018 the fair value of the endowment fund was \$97,708.

### 5. COMMUNITY FOUNDATION FOOD PANTRY ADVISORY FUND

### 6. FAIR VALUE MEASUREMENTS

The investments of the Food Pantry are reported at fair value in accordance with Financial Accounting Standards Board guidance related to fair value measurements and disclosures. This standard establishes a three-level fair value hierarchy, which prioritizes the inputs to valuation techniques used to measure fair value. The levels in the fair value hierarchy are defined as follows: Level 1 - valuations are based on observable inputs that reflect unadjusted quoted prices in active markets for identical assets at the reporting date; Level 2 - valuations are based on observable inputs other than quoted prices for identical assets; Level 3 - valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

Financial assets measured at fair value on a recurring basis at July 31, 2018 consist of the following:

	<u>Total</u>	<u>Level 2</u>

### 7. PROPERTY AND EQUIPMENT (continued)

On November 18, 2013, the Food Pantry opened for distribution in the new building. The Food Pantry's new building was partially acquired with loan funds received from the City of Aurora under a Community Development Block Grant Subrecipient Agreement. Under the terms of this contract, title to the property reverts to the City if the property is used for any purpose other than a regional food pantry, the Food Pantry files bankruptcy, transfers or encumbers the real estate, or fails to properly maintain the property.

Depreciation expense was \$64,988 for the year ended July 31, 2018.

### 8. NOTE PAYABLE

The Food Pantry entered into an agreement with the City of Aurora and Kane County, Illinois dated March 14, 2012, to obtain financing for the purchase of a building on Jericho Road to be used for Food Pantry operations. The loan was funded through the U.S. Department of Housing and Urban Development. The agreement specifies that if the Food Pantry complies with various terms, the loan will be forgiven without interest at maturity.

If there is any default on the specified provisions of the loan agreement, the unpaid balance becomes payable immediately.

### Uncertain Tax Positions

The Food Pantry has adopted guidance issued by the Financial Accounting Standards Board relating to uncertain tax positions. The Food Pantry's policy is to classify income tax related interest and penalties in interest expense and other miscellaneous expenses, respectively. The tax years 2015, 2016 and 2017 for income tax returns filed in the U.S. federal jurisdiction and the state of Illinois (the Food Pantry's major tax jurisdictions) remain open and subject to examination. The Food Pantry has analyzed tax positions taken and believes that income tax filing positions would be sustained upon examination and does not anticipate any adjustments that would have a material adverse effect on the Food Pantry's financial condition, results of operations or cash flows.
