The Aurora Food Pantry feeds more than 700 families EVERY WEEK.

The Aurora Food Pantry feeds more than 700 families EVERY WEEK.

THIS is what your support does to impact real people.

The story of a single mother whose life was changed by the pantry:

After being laid off of her job due to the pandemic, Beth found herself in an impossible situation. She had two young children and no way to pay for necessities. She was grateful to find a new job, although it was a pay cut, and move her family in with her father in Aurora.

Soon after they moved in, Beth's father was diagnosed with COVID-19 and was hospitalized. Three weeks later, he died. She was left with the stress of medical bills, caring for two young children, and grieving her father's death, all while attempting to pay for funeral costs. She found herself eating just one large meal a day to ensure her kids didn't go without.

Unsure how she would make ends meet, she searched for a way to help her family and found the Aurora Area Interfaith Food Pantry. She's been coming every week since then to receive life-saving food, enough to feed her family each week. The money she saves on groceries helps to pay utility bills and offset childcare costs.

Beth also took advantage of the pantry's holiday meal boxes which allowed her to provide a Christmas dinner for her children for the first time in two years. "We couldn't afford a Christmas last year and it crushed me as a mother to not be able to provide that to my babies. I have never felt more like a failure. You (the Aurora Food Pantry) have helped my kids get their mom back."

Hunger doesn't take the summer off! The Radiothon/Pack the Pantry event helps restock the pantry's shelves after the holidays and winter months. Thank you for your support.

2022 PACK THE PANTRY

Friday, July 8, 2022 | All Day Event

Sponsorship Opportunities

The Aurora Food Pantry's gala is now part of the annual Radiothon, and includes one day of on-air promotions followed by an in-person celebration. By combining the pantry's two largest fundraising events, we are saving staff time and simplifying donor commitment. Help us reach our goal of \$150,000. Hunger doesn't stop in the summer. In fact, families that depend on school lunches during the school year, are more in need than ever.

Your sponsorship will be combined with others to create a dollar-for-dollar matching gift incentive to the entire community. Donations raised throughout the event will help restock the pantry shelves for the coming months!
